

NSW Working Stock Dog Association

Membership

It is the responsibility of the organising committee to ensure the Judges chosen are current members of the NSW association. Also every competitor **must** be a current member, a current list of members will be included in the information pack. Anyone not on this list that cannot provide proof of payment should fill in a membership form and pay on the day (Day or Full membership is acceptable).

Points

Upon conclusion of your event the NSW Working Stock Dog Association requires the following information to be forwarded to the association secretary (nswwsda.secretary@gmail.com).

- Number of dogs in each event (Maiden, Novice, Open)
- Places down to 6th for each event
- Full name of each Judge

The reason we require this information is the point score system is used to tally yearly awards at both a state and national level. The national award is depending on the number of dogs per event, whereby more points are given to the six place getters if there were a large number of dogs competing and less points for fewer dogs. So as you can see it is vital that we gather this information promptly and get the numbers accurate.

Note:

The organising committee will not receive reimbursement of Cobber sponsorship until this information is received in full.

If you require any further information or assistance in organizing your event please contact any of the committee members listed on the contact page of the website.

Sincerely,

Lewis Molloy
President
NSW Working Stock Dog Association
